Conference Welcome: "The Splendor of Fire-ried Gold"

by Fr. Bob Hogan, BBD: Upcoming Conference Speaker

Loving the Charismatic Renewal

Isn't God amazing! I was a 17 year old getting ready for my senior year of high school when I was baptized in the Holy Spirit. I could not have imagined all the wonderful ways that I have seen God work in the years since then. What a blessing to walk the path of faith lovingly named a child of God by Abba, Father; continually trained by Jesus as his disciple; and enflamed and empowered to share the Good News by our Advocate/Counselor, the Holy Spirit. I have worked with wonderful prayer groups in six different cities. I have been the Director of our Renewal Center in San Antonio for 10 years. My Religious Community, The Brothers of the Beloved Disciple, is a charismatic and Marian community. I had the opportunity to reflect and write about this amazing grace of Charismatic Renewal in my recent book, *Celebrating a Charismatic Jubilee*. I like to say that the Holy Spirit is in the "newness business." He always has something new for us!

A Golden Time

Expect a Golden time at the October 20-21, 2017 Conference that will celebrate the Golden Jubilee Year for the Catholic Charismatic Renewal with the theme, "*The Splendor of Fire-ried Gold*." The other speaker will be Sr. Bernadette Beamsley from the Disciples of the Lord Jesus Christ. We have known each other for many years. She will be a great blessing for us! I will be talking about "the Holy Spirit, Advocate, Counselor, Partner. There is always more

to learn, experience, and be empowered through the Holy Spirit. I be sharing with you the Scriptural teaching and my own experience of the many facets of the Holy Spirit's work. He is a splendored gift!

My second presentation is entitled "Don't Settle for Silver." It is pretty good to get a bronze or silver medal at the Olympics, but in the Christian life we are always going for the gold! We can learn how to let the Spirit purify us so that we can be pure gold for God. The challenges of life do not have to get us down and depressed, but can be ways that God tests us to make our faith more genuine and pure. Have we settled for less than God wants to do with the Charismatic Renewal

Movement in the Church? Have you settled for less than all God wants to do in you, through you, and together with others? Come and get more!

Finally, I will be talking about "I'm Going to Let It Shine." Gold shines. It gets people's attention. We want our lives to bear fruit thirty, sixty, hundred fold. Jesus calls us to be witnesses. As we grow in proclaiming God's word, we will see that word confirmed with signs, wonders, healings, and miracles. The

Holy Spirit gives us gifts, manifestations of the Spirit, that shine God's presence into people's hearts and lives. Come and be empowered in a new way this Golden Jubilee year. Let it shine; let it shine; let it shine! Let's all go for the gold together! See in in October!

1 Peter 1:7 In this you rejoice, although now for a little while you may have to suffer through various trials, so that the genuineness of your faith, more precious than gold that is perishable even though tested by fire, may prove to be for praise, glory, and honor at the revelation of Jesus Christ.
