

We need you!

The Catholic Charismatic Renewal Office receives no monetary support from the Archdiocese and is only supported by conference attendees and donations. If you become a **Pledge Partner**, it will not only ensure our current programs & outreach but also allow us to offer *MORE* of the Holy Spirit!

If you pledge at least \$10 a month, you will receive complimentary recordings of the conference talks.

Fill out the form on the back and either fold it and put it in the collection or give it to Sara at the CCRO Table.

Thank you for your support!

And my God will meet all your needs according to the riches of His glory in Christ Jesus. —Philippians 4:19
